

Here's how it works!!!

If you are taking part in the live auction

You will need a bidding card which can be purchased for £5 on the night or in advance from Stuart at The Hinds Head or any of the Heatons Fundraising Group members

You can share a card with a friend

Payment must be made on the night and can be by cash, cheque or debit/credit card

The auctioneer will explain more on the night

If you are making a confidential bid because you cannot attend the live auction

You will need to pay £5 to be assigned a bidding card number.

Clearly write the lot number(s) and description of the item(s) you wish to bid for and your maximum offer. Pop them in an envelope along with your £5 and your name, contact phone number and/or e-mail address and pass the envelope to Stuart at The Hinds Head or any of the Heatons Fundraising Group members

If you have successfully won your lot you will be notified after the event.

Payments after the event must be either cash or cheque

Heatons
Fundraising
Group

Heatons Fundraising Group would like to thank you and everyone who has helped make this event possible, without you we could not do the work we do.

We would like to give a **very big thank you** to Stuart and the team at The Hinds Head for hosting the event

Together we will bring forward the day when all cancers are cured
